VI.3) Additional information

Transport for London (TfL) is a complex organisation operating both as an executive agency of the Greater London Authority (GLA) under the direction of the Mayor of London and as provider of transport services. TfL has established this framework agreement for use by all the listed organisations below.

Any orders placed under this framework agreement will form a separate contract under the scope of this framework between the supplier and the specific contracting authority.

The contracting authority and other contracting bodies utilising the framework reserve the right to use any electronic portal during the life of the agreement.

The framework is a NIL award framework agreement and the authority is not committed to the estimated spend figure.

The framework agreement commencement date is the 1st April 2022 for a 3-year period expiring on the 31 March 2025. The authority may extend for up to a further 12 months for a total of 4 years.

This Framework Agreement can be used upon award by all the following:
