VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This modification will add £339k per annum (£1,356k - across 4 years 2025-2029) to the service contract. This will support a wait list initiative, purchasing additional staff hours to increase caseload capacity and drive down waiting times.

Funding is needed to increase the staff capacity of counsellors and Youth Mental health workers to manage increased referrals since the introduction of the Children & Young People -Mental Health Advice, Support and Access Service service. Whilst this has decreased the level of referrals to secondary services it has increased numbers coming into early help services, meaning more young people are in need of this support.

This modification will also include the inflationary uplifts for 2024/2025 & 2025/2026.

Waiting List Value - £1,356,000

2024/2025 Uplift - £43,500

2025/2026 Uplift - £96,274

Total Value - £1,495,774

VII.2.2) Reasons for modification

Need for additional works, services or supplies by the original contractor/concessionaire.

Description of the economic or technical reasons and the inconvenience or duplication of cost preventing a change of contractor:

The modification is made in response to external factors beyond the control of the relevant authority and the provider, including but not limited to:

- changes in patient or service user volume
- changes in prices in accordance with a formula provided for in the contract documents (for example uplifts in prices published in the National Tariff or index linking)

but do not render the contract or framework agreement materially different in character

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £7,429,000

Total contract value after the modifications

Value excluding VAT: £8,924,774
