IV.2.7) Conditions for opening of tenders

Date

16 February 2024

Local time

1:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

The Contracting Authority may call off services or works from the framework agreement in accordance with the terms and conditions set out therein. Any call off contract shall be awarded to the most suitable supplier based on the criteria and evaluation method established in the framework agreement.

The Contracting Authority reserves the right to

- i. rotate the call off services or works among the suppliers in the framework agreement
- ii. directly appoint a framework member for the provision of services or works without further competition in cases of exceptional circumstances, where there is no other capable supplier available or where there is an urgent need to provide the services or works.
- iii. undertake a mini-competition among the suppliers in the framework agreement for the provision of services or works when the Contracting Authority determines that a mini-competition is necessary to promote competition, ensure value for money, or achieve other procurement objectives
- iv. not call off any goods, services or works from the framework agreement, in whole or in part, at any time without incurring any liability to the suppliers. The Contracting Authority may terminate the call off contract at any time in accordance with the provisions set out in the framework agreement.

NOTE: To register your interest in this notice and obtain any additional information please visit the Public Contracts Scotland Web Site at

Suppliers are advised to allow adequate time for uploading documents and to dispatch the electronic response well in advance of the closing time to avoid any last minute problems.

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

The Contractor shall provide community benefits that are aligned with the Contracting Authority's social, economic, and environmental objectives, and that contribute to the well-being of the local community and the wider public. Community benefits may include, but are not limited to:

- i. Creating employment and training opportunities for local people, including apprenticeships, work placements, and skills development programs.
- ii. Promoting equality, diversity, and inclusion, by ensuring that the workforce and the supply chain reflect the diversity of the local community, and by providing accessible services and facilities for all users.
- iii. Supporting local charities, community groups, or public services, by providing donations, sponsorship, or volunteering opportunities.
- iv. Any other activities that contribute to the social, economic, or environmental well-being of the local community and the wider public.

Further details will be contained in the procurement documents.
