## **Section VI. Complementary information**

### **VI.3) Additional information**

SEC Frameworks may be accessed by all publicly funded organisations — access is not limited to SEC Members alone. South East Consortium Frameworks can be used by any organisation that fall in to one or more of the categories listed in the following link:

<https://southeastconsortium.org.uk/our-frameworks/faqs/who-can-use-our-frameworks>

Southern Housing is currently SEC's accountable body and is acting as the "contracting authority" for the purposes of this procurement exercise. However, SEC is in the process of becoming incorporated, and will be so by the time this procurement exercise is completed. Accordingly, the legal entity that will enter into the Framework Agreement with the successful suppliers will be SEC Procurement Limited.
