II.1.4) Short description

West Northamptonshire Council wishes to appoint Framework Providers in 12 Lots to provide Design and Technical Consultancy Services for a range of construction projects.

This framework is open for use by all current Council partners, including:

- North Northamptonshire Council, Northampton Partnership Homes and other organisations delegating services and or functions to the Council;
- by way of access agreement, this framework is also open to new Council customers seeking to utilise the Council's frameworks on an independent third party basis including:
 - a. any city, district, borough or other local authority within the county of West Northamptonshire;
 - b. any companies or organisations set up by participants in the Council;
 - c. any school, academy, university or other educational establishment within the county of West Northamptonshire; and
 - d. any Public Body outlined in either Part I or Part II of the Local Authorities (Goods and Services) (Public Bodies) Order 1972. Details of which can be found at

<http://www.legislation.gov.uk/ukxi/1972/853/made>.

- Access to this framework by such bodies shall be solely controlled and managed by the Council, and the successful Potential Supplier(s) shall not accept any instructions under this framework other than from the Council.

Applications are invited from experienced providers of Design and Technical Consultancy Services to the construction industry who can provide high quality professional services using a customer focussed approach, particularly in the Public Sector. The services to be provided are:

1 Architectural -- £0 - £1,999,999

2 Architectural -- £2m plus

3 Building Surveying -- £0 - £1,999,999

4 Clerk of Works - £0 -- £2 plus

5 Mechanical & Electrical -- £0 - £1,999,999

6 Mechanical & Electrical -- £2m plus

7 Project Management -- £0 - £1,999,999

8 Project Management -- £2m plus

Design and Technical Consultancy Services will be required for but not limited to education and social care, Health, Blue Light Services, Residential, community and public buildings. The Framework will cover construction works and will include, but not be limited to, new build, demolitions, capital replacements, extensions, repairs and renovation programs.

Successful Framework Providers will be expected to have a demonstrable track record of providing these services for such premises and project type. Potential Providers will be appointed to the Framework through the overarching Framework Agreement and any subsequent award will also be made in accordance with the terms and conditions of the

accompanying RIBA Architect or RIBA Consultant agreements, including Schedule of Amendments.

The Framework will operate for a period of 48 months (from the award of the contract). It is envisaged that the maximum number of potential suppliers appointed to each Lot shall be 6. Interested parties are permitted to bid for a single Lot or multiple Lots.

There will be no obligation on either West Northamptonshire Council or any of the other bodies to enter into call off contracts with the service providers appointed nor will any guarantee be given as to the quantity, value or regularity of call off contracts to be made.

Please visit the West Northamptonshire Council e-Procurement Portal to register your interest in this opportunity and to access the documentation.

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for one lot only

Maximum number of lots that may be awarded to one tenderer: 12

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Potential Suppliers are invited to tender for one or more of the Lots.

The Council reserves the right to restrict positions on any of the Lots where a Potential Supplier has submitted multiple bids, and this poses a risk to the Council by way of business continuity.
