The date in II.3) is the estimated date of publication, please refer to the CCS website page <https://www.crowncommercial.gov.uk/agreements/upcoming>

for updates and monitor Tenders Electronic Daily (TED) for the publication of the contract

notice.

The Cyber Essentials scheme is mandatory for Central Government Contracts which involve handling personal information and providing certain ICT products and services. The Government is taking steps to further reduce the levels of cyber security risk in its supply chain through the Cyber Essentials scheme. The scheme defines a set of controls which, when properly implemented, will provide organisations with basic protection from the most prevalent forms of threat coming from the internet.

To participate in this procurement, bidders will be required to demonstrate that they are Cyber Essentials Plus certified for the services under and in connection with the procurement.

The bidder may be awarded a contract but shall not enter into any call off contracts with buyers until they are able to demonstrate to CCS that they meet the technical requirements prescribed by the Cyber Essentials Plus Scheme for services under and in connection with this procurement.

The service that arise from this framework will involve the supplier holding material that has been assigned a protective marking under the Government Security Classifications Scheme (April 2014) of OFFICIAL/SENSITIVE

Bidders will be required to implement their solution in accordance with the RM6284 Schedule, 'Security Requirement and Plan', to meet RM6284 requirements. This will be released at the ITT stage.

We also intend to require the following ISO standards as part of this procurement, detailed here for information:

- ISO 9001 Quality management systems or equivalent,
- ISO/IEC 27001 Information security management systems or equivalent,
- ISO/IEC 27002:2013 Information technology – security techniques – code of practice for information security controls,
- ISO/IEC 27031 Information technology – security techniques – guidelines for information and communication technology readiness for business continuity or equivalent,
- ISO/IEC 22301:2019 Business continuity management or equivalent, and
- ISO/IEC 22313 Societal security – business continuity management systems – guidance or equivalent.
