Section II: Object

II.1) Scope of the procurement

II.1.1) Title

The Provision of Transport Services for the Movement of Fuels Within the United Kingdom - RFI

II.1.2) Main CPV code

- 60000000 - Transport services (excl. Waste transport)

II.1.3) Type of contract

Services

II.1.4) Short description

This is the Request for Information used to engage early with suppliers and shape the requirement for the future Provision of Transport Services for the Movement of Fuels within the UK for the Front-Line Command.

The Authority has a requirement for the provision of transport services for the collection and delivery of Aviation and Marine fuels within the mainland United Kingdom. The required service covers the provision of vehicles and drivers for the transportation (collection and delivery) of various fuels from storage sites to MOD locations. The service comprises the following elements:

- a. Routine haulage of aviation fuel to airfields and other aviation fuel users from the four Petroleum Supply Depots (PSD) road loading sites on the Exolum (previously CLH-PS) pipeline system.
- b. Occasional road haulage of aviation fuel to airfields routinely supplied by the Exolum pipeline system if the pipeline system is temporarily interrupted.
- c. Routine haulage of marine diesel and marine aviation fuel from OPA managed Oil Fuel Depots (OFDs) to Naval Bases (HMNBs) or Royal Navy Air Stations (RNAS)
- d. Occasional deliveries of marine diesel and marine aviation fuel to other ports, normally on the East coast of Scotland from OFDs (delivery requests may occasionally have a short-notice lead-times).
- e. Occasional returns of marine diesel or marine aviation fuel from ports or HMNBs to

OFDs (delivery requests may occasionally have a short-notice lead-times)

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 09000000 - Petroleum products, fuel, electricity and other sources of energy

II.2.3) Place of performance

NUTS codes

- UKC - North East (England)
- UKD - North West (England)
- UKE - Yorkshire and the Humber
- UKF - East Midlands (England)
- UKG - West Midlands (England)
- UKH - East of England
- UKI - London
- UKJ - South East (England)
- UKK - South West (England)
- UKL - Wales
- UKM - Scotland

Main site or place of performance

UK excl. Northern Island.

II.2.4) Description of the procurement

1. This is the Request for Information used to engage early with suppliers and shape the requirement for the future Provision of Transport Services for the Movement of Fuels within the UK for the Front-Line Command.

Service Specification

2. As a background, the Authority has a requirement for the provision of transport services for the collection and delivery of Aviation and Marine fuels within the mainland United Kingdom. The required service covers the provision of vehicles and drivers for the transportation (collection and delivery) of various fuels from storage sites to MOD locations. The service comprises the following elements:

- a. Routine haulage of aviation fuel to airfields and other aviation fuel users from the four Petroleum Supply Depots (PSD) road loading sites on the Exolum (previously CLH-PS) pipeline system.
- b. Occasional road haulage of aviation fuel to airfields routinely supplied by the Exolum pipeline system if the pipeline system is temporarily interrupted.
- c. Routine haulage of marine diesel and marine aviation fuel from OPA managed Oil Fuel Depots (OFDs) to Naval Bases (HMNBs) or Royal Navy Air Stations (RNAS)
- d. Occasional deliveries of marine diesel and marine aviation fuel to other ports, normally on the East coast of Scotland from OFDs (delivery requests may occasionally have a short-notice lead-times).
- e. Occasional returns of marine diesel or marine aviation fuel from ports or HMNBs to OFDs (delivery requests may occasionally have a short-notice lead-times)

Fuel Specifications

3. Usual specifications of the products to be transported are as follows:

- a. AVTUR F-34 FSII UK Defence Standard 91-087 (latest issue).
- b. AVTUR F-35 UK Defence Standard 91-091 (latest issue).
- c. AVCAT F-44 FSII UK Defence Standard 91-086 (latest issue).
- d. Marine Diesel F-76 UK Defence Standard 91-004 (latest issue).

4. For the purpose of the RFI, The Authority are seeking information and feedback to the two parts listed below. Part (A) includes a set of general questions regarding the Provision of Transport Services for the Movement of Fuels Within the United Kingdom as a whole, whereas Part (B) is regarding just the Scottish region specifically.

5. All submissions provided to the Authority are confidential. Please note, the Authority may wish to contact you for additional information.

6. All submissions for the RFI must be provided via the DSP and/or emailing DESCommodities-Comrcl-Fuel@mod.gov.uk by 12:00 (GMT) on 7th February 2022 date. Any additional information provided should not exceed ten (10) A4 pages of pt11 Arial font. If you have any clarification questions, please send them to DESCommodities-Comrcl-Fuel@mod.gov.uk.

II.2.14) Additional information

This RFI is for Information only and may assist in deciding the future procurement strategy and scoping of the requirement. This request is not a commitment by the UK Ministry of Defence to place an order or a Tender in the future.

If you cannot access questionnaire / document, please contact DESCommodities-Comrcl-Fuel@mod.gov.uk.

II.3) Estimated date of publication of contract notice

19 January 2022

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

Section VI. Complementary information

VI.3) Additional information
