Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Patent Renewal Services

Reference number

UOS-19396-2020

II.1.2) Main CPV code

- 79120000 - Patent and copyright consultancy services

II.1.3) Type of contract

Services

II.1.4) Short description

The IP & Commercialisation team administers around 650 active patent cases, including instructing renewals to maintain those cases in the territories of USA, Europe, Canada, India, China, Japan, South Korea, Australia and Brazil.

The IP & Commercialisation require a sole supplier to facilitate the renewal of the Universities active patent cases.

These patent cases require to be renewed in each territory on a regular basis and we require a provider that can do this competently; has an interface that is easy for the team to interact with; and is cost-effective.

The purpose of this notice is to seek expressions of interest and/or to engage in early market consultation.

II.1.5) Estimated total value

Value excluding VAT: £300,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 79120000 - Patent and copyright consultancy services
- 79100000 - Legal services

II.2.3) Place of performance

NUTS codes

- UKM82 - Glasgow City

II.2.4) Description of the procurement

The University requires an interface that can be easily interacted with to facilitate the patent renewal requests with the appointed supplier. The interface should have live pricing, exportable exports, search & filter functionality and a security profile with the University is able to assess. The portal will allow the University to login and instruct renewals i.e. renew, auto renew, delay, abandon, and other channels.

In addition to the interface, the University require the supplier to provide the renewal service for trade mark renewals and patent renewals.

The provider must be able to renew patents in international territory on a regular basis. The purpose of this notice is to seek expression of interest and/or engage in early market consultation.

The University is currently developing a Strategy for the provision of patent renewal services.

II.3) Estimated date of publication of contract notice

17 February 2021

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
