Section VI. Complementary information

VI.3) Additional information

The purpose of this notice is to draw attention to the procurement exercise that NHS Supply Chain: Hotel Services intends to commence during the subsequent months. The invitation to tender will be the subject of a separate notice and it is that notice to which potential suppliers will need to respond at the appropriate time.

We propose to hold a Supplier Webinar in February/March 2021 to outline the procurement exercise, before the tender is published in March 2021. Please note that the proposed months are subject to change.

Please register your interest in this PIN via the Jaggaer e-Tendering system <https://nhssupplychain.app.jaggaer.com/>. We will send further details to interested parties via the Jaggaer Messaging System regarding the date, time and format of the supplier webinar in due course.

To assist with pre-tender supplier engagement and scoping of the procurement exercise, interested parties are advised to express interest via the Jaggaer system. We are working with the NHS National Ambulance Uniform User Group to devise final specifications. High Street Testing will be involved with the testing of samples as part of the procurement exercise.

Further information with regards to exact specifications will be provided in the tender publication.

Whilst it is anticipated that initial expenditure under any forthcoming procurement will be in the region of £4,500,000 per annum for this contract award, this is approximate only and the values will be to such level as those purchasing under the Framework Agreement consider necessary to provide suitable requirements.

NHS Supply Chain Hotel Services intends to enter into arrangements under which it will be entitled to purchase supplies and/or services which it will make available for purchase by 1) any NHS Trust; 2) any other NHS entity. Only NHS Supply Chain can order from the

Framework Agreement and enter into contracts under it.

NHS Supply Chain Hotel Services is currently considering the use of lots for this procurement. However, it reserves the right not to as part of any future tender process. Further information in respect of the lot strategy will be set out in the notice for the forthcoming procurement.
