Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Forestry Commission Fleet Management and Workshop Software System

Reference number

FEE/0651

II.1.2) Main CPV code

- 48430000 - Inventory management software package

II.1.3) Type of contract

Supplies

II.1.4) Short description

The Forestry Commission (FC) require a Contractor to externally host, maintain and provide a Fleet Management & Workshop Software System (the System) that is fully functional on the FC's standard desktop, browser software and mobile phone application. It is expected that the Contractor will have experience with Fleet software and will have an existing software solution. The FC do not want to develop a bespoke system.

The System will be used for the monitoring and management of FC vehicles, mobile plant, and other such equipment/items. The System will record details of these assets and manage their location and service/repair history. Items recorded in the system will include vehicles, tractors, harvesters, strimmer's, chainsaws and may also include smaller hand tools. The System must include a Workshop Control module to manage FC items using FC's own staff, workshops, and external contractors.

II.1.5) Estimated total value

Value excluding VAT: £420,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48430000 - Inventory management software package

II.2.3) Place of performance

NUTS codes

- UK - UNITED KINGDOM

Main site or place of performance

UNITED KINGDOM

II.2.4) Description of the procurement

The Forestry Commission (FC) require a Contractor to externally host, maintain and provide a Fleet Management & Workshop Software System (the System) that is fully functional on the FC's standard desktop, browser software and mobile phone application. It is expected that the Contractor will have experience with Fleet software and will have an existing software solution. The FC do not want to develop a bespoke system.

The System will be used for the monitoring and management of FC vehicles, mobile plant, and other such equipment/items. The System will record details of these assets and manage their location and service/repair history. Items recorded in the system will include vehicles, tractors, harvesters, strimmer's, chainsaws and may also include smaller hand tools. The System must include a Workshop Control module to manage FC items using FC's own staff, workshops, and external contractors.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £420,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

60

This contract is subject to renewal

Yes

Description of renewals

The is an ongoing requirement and will be retendered approximately January 2026.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No
