II.2.4) Description of the procurement

Energia Group are seeking to appoint a contractor to provide a range of Automated Customer Payment Services for the processing of online customer payments in Northern Ireland and the Republic of Ireland (RoI) via internet and mobile device applications.

A brief description of the Payment Services required, is set out below:

Service Name Contractor/s Service Requirements

Keypad Transactions

- 1 The ability for "pay as you go" (known as "Keypad") customers to buy electricity by online channels (Web & App).
- 2 The ability for Keypad customers to have their Powercode re-issued by online channels.

Account Balances and Full / Part Bill Payments

- 1 The ability for billed customers (i.e. non-Keypad) to obtain their account balance by online channels (Web & App).
- 2 The ability for billed customers (i.e. non-Keypad) to make full bill or part bill payments by online channels.

Network Services Provision of both a real-time payment facility and batch file upload process to enable the collection of payments and capture customer reference details.

Reporting Provision of on-line daily summary & detail reports of the transactions processed.

Settlement

- 1 Pay to Energia Group all payments collected from customers, less any authorised refunds made.
- 2 Operate effective systems to ensure the timely transmission of payments to Energia Group.

App & Web support

Support and provision of existing of Power NI and Energia payment pages and existing

mobile applications.

Customer Payment Methods and Indicative Volumes in NI

Power NI currently supplies electricity to 39,000 businesses and 477,000 domestic customers in NI and offer a range of tariffs. Approximately 179,000 of Power NI's domestic customers have an innovative Keypad meter (PAYG) installed.

Energia Domestic supplies electricity to 200,000 customers with approximately 300 of these customers using a Keypad meter.

Energia Commercial supplies electricity to 23,000 customers. 2,000 of theses customers are in NI with the remaining 21,000 in ROI.

Details of the current number and value of Power NI transactions is set out below:

Customer Detail Number of transactions per annum

Bill payment (Domestic & Commercial) via on line and mobile applications c161k

Keypad Top Up (Domestic Only) via on line and mobile applications C2.8m

Sub-total C2.96m

Details of the current number and value of Energia transactions is set out below:

Customer Detail Number of transactions per annum

Domestic Bill payment via online and mobile applications C225k

Commercial Bill payment via online and mobile applications C6k

Sub-total C231k

Indicative volumes are as follows:

Power NI Keypad Payment Online & App - c2.82m per annum

Power NI Bill Payment Online & App - c161k per annum

Energia Domestic Payments Online & App - c225k per annum

Energia Payment Commercial Payments Online - c6k per annum.

These annual volumes are indicative only and do not constitute a commitment to these volumes due to flexing needs and a change in customer demand.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £2,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

24

This contract is subject to renewal

Yes

Description of renewals

Option to extend for a further maximum period of 24 months.

AutomatedPaymentServices@energiagroup.com

to register an interest, and access to the Data Room and relevant documentation will be implemented.

VI.4) Procedures for review

VI.4.1) Review body

Energia Group NI Holdings Limited

Greenwood House 64 Newforge Lane

Belfast

BT9 5NF

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Energia Group NI Holdings Limited will incorporate a minimum 10 calendar day standstill period at the point information on the award of the contract is communicated to tenderers. Applicants which are unsuccessful shall be informed by Energia as soon as possible after the decision has been made as to the reasons why the Applicant was unsuccessful. If an appeal regarding the award of the contract has not been successfully resolved. The Utilities Contracts Regulations 2016 provide for aggrieved parties who have been harmed or are at risk of harm by breach of the rules to take action in the High Court (England, Wales, and Northern Ireland). Any such action must generally be brought within 30 days. If a declaration of ineffectiveness is sought, any such action must be brought within 30 days where Energia has communicated the award of the contract and a summary of reasons to tenderers, or otherwise within 6 months of the contract being entered into. Where a contract has not been entered into, the Court may order the setting aside of the award decision or order Energia to amend any documents and may award damages. If the contract has been entered into the Court may, depending on the circumstances, award damages, make a declaration of ineffectiveness, order Energia to pay a fine, and/or order that the duration of the contract/s be shortened. The purpose of the standstill period referred to above is to allow the parties to apply to the Courts to set aside the award decision before the contract is entered into.
