II.2.4) Description of the procurement

This procurement is for the design, supply and installation of a mini anaerobic

digestion plant and CHP plant. Best Available Techniques will be implemented into the design.

The contractor shall design, supply and install the civil, mechanical, electrical, control and instrumentation components of the AD Plant.

The contractor shall be responsible for the AD Plant and the connection of the CHP output in to the dairy and agritech building.

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated without a prior call for competition

- Additional deliveries by the original supplier

Explanation:

Bioelectric as a sole supplier for the micro AD and CHP plant, is that we have been unable to find other suppliers in the UK with similar experience of installing micro AD (slurry fed) and CHP plant.

Also the only other company we have contacted could not provide the same level of power output from the CHP plant.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
