The successful Subcontractor will work closely with the Head Provider and its Subcontractors, in particular GPs, Mental health team, the Primary Care and Substance misuse teams to provide a safe and effective on-site Pharmacy dispensing service compliant with regulatory and best practice standards, mirroring those in the community at HMP Peterborough, as per the Head Contract.

NHFT require service commencement by the preferred bidder by 1st September 2025. The procurement timeline will require the successful bidder to mobilise within the period from contract award (Award will be April 2025), all required licensing and regulatory registrations and staff vetting will need to be in place prior to service commencement.

The supplier will also need to be GPhC registered.
