Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- Extreme urgency brought about by events unforeseeable for the contracting authority

Explanation:

The Government must protect the health and well-being of UK citizens. The COVID-19 outbreak is a

Public Health Emergency of International Concern (PHEIC) as declared by the World Health Organisation on 30 Jan 2020. The WHO Director General characterised COVID-19 as a pandemic on 11 Mar 2020.

PHE discharges its duties as a Category 1 Responder to emergencies on behalf of the Secretary of State for Health within the scope of the Civil Contingencies Act 2004 (CCA 2004).

This urgent requirement is in response to the COVID -19 outbreak. A direct award has been made due to extreme urgency under current public procurement regulations using regulation 32(2)(c) for the purpose of procuring universal mailers in support of sending out covid-19 testing kits to help reduce turnaround times critical in the outbreak and support the increased demand of testing as instructed by DHSC.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
