Instead of

Text

The UK Atomic Energy Authority is looking to setup an electrically powered driverless shuttle bus between its premises at Culham Science Centre and Culham Railway Station,

near Abingdon, Oxfordshire.

Outline details of the requirement are contained in the Market Engagement document available for download on uk.eu-supply.com using the link in this notice.

The Authority is interested in hearing from any interested parties who are able to provide the service or such a vehicle.

A number of questions are also included within the Market Engagement document which it would be appreciated if you could provide a response to by 12:00 hours Friday 4 February 2022. Replies should be sent through uk.eu-supply.com messaging service.
