VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

This is a short-term extension to 30 September 2026. The extension does not add any additional value to the original contract value noted below.

The decision to extend is necessary because the Cabinet Office Commercial Spend Controls assurance required to publish the tender opportunity for the replacement framework has been delayed, due to external factors outside the Authority's control.

As a result, the Cabinet Office assurance process has had a significant impact on our timeline to re-procure the next iteration of the framework.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The extension satisfies the safe harbours under Regulation 72(1)(c) of the Public Contract Regulations 2015 ("PCR 2015"),

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)
