II.1.4) Short description

This procurement has been abandoned and will be re-issued.

The Isle of Wight Council (“the Authority”) invited Tenders from suitably qualified suppliers (“Potential Suppliers”) for the provision of Commercial Recycling and Waste Collection and Disposal for Isle of Council Locations.

This procurement followed the Open Tender Procedure under the Public Contract Regulations 2015.

The Authority required the provision of Commercial Recycling and Waste Collection and Disposal services for office waste from all Authority locations; consisting of Offices, Libraries and Care Homes. Collections are predominately weekly, and details of the locations and frequency of collections are as shown in Appendix 1 Locations.

Our requirement included:

Collection of waste from all named Authority locations and the continuation of a robust recycling scheme will be required.

This includes the following elements, but not be restricted to:

- 2-stream recycling collection and disposal service
 - (stream-1 papers/card)
 - (stream-2 metals, plastic and glass)
- General (Residual) waste collection and disposal
- Ad-hoc bulky and specialist waste collection
- Food waste collection and disposal. However, this will only be for certain locations such as care homes, rather than standard office buildings where food-waste generation is minimal. This element will not be required from the commencement of the contract however it is intended to be added during the life of this contract.

It should be noted that this Contract is not for the collection and disposal of waste in relation to WEEE (Waste Electrical and Electronic Equipment), confidential waste, clinical waste, dangerous or hazardous waste.

Site visits were encouraged prior to a Potential Supplier submitting a tender.
