#### II.1.3) Type of contract

Services

#### II.1.4) Short description

1) NHS Bristol, North Somerset and South Gloucestershire (BNSSG) Integrated Care Board (ICB) (the Commissioner) is seeking to secure a Prime Provider who has the capability and capacity to deliver supplementary technology and services to support the development of its "Intelligence Centre", in line with the specified requirements set out in an Output Based Specification (OBS).

2) The technology solution element of this requirement is termed 'FDP+' (Federated Data Platform Plus) while the professional services element is termed the 'FDP+ Implementation Partner'.

3) The estimated contract start date is 1st June 2025, however this is subject to the approval of a Full Business Case (FBC), detailed further within the ITT documentation available. The contract will run for an initial term of 5 (five) years, with an option to extend for any period up to a further 2 (two) years at the sole discretion of the Commissioner.

4) NHS BNSSG ICB's vision for their Intelligence Centre aims to tackle the issues of data variations and data sharing protocols within its wider system. It will be a central hub for all health and care data in the NHS BNSSG ICB footprint, with data from all providers flowing into one secure place, standardised for easy comparison and analysis.

5) The Intelligence Centre will include a user-friendly portal accessible to leaders in all partner organisations. Decision makers will be able to access, visualise, analyse, and export the anonymised data they need. Full details of the requirement can be found in the

OBS within the ITT documentation available.

6) TUPE will not apply to this opportunity.

7) This is a two stage, Restricted Procedure under PCR2015. Bidders must pass the requirements set out within the ITT documentation for "Stage 1 - Pre-Qualification" in order to progress to "Stage 2 - Selection" and be capable of award. Full detail of how The Commissioner will carry out this shortlisting exercise has been set out in the "ITT Bidder Guidance" document available.

8) This opportunity contains a priced option requirement that can be activated at the sole discretion of the Commissioner during the term of the contract. Full detail of how to comply with this requirement has been set out in the "ITT Bidder Guidance" document available.

9) The total potential value of this opportunity, including all extension options and the potential priced option requirement is £9,250,000. A breakdown of this full envelope is set out in the "ITT Bidder Guidance" document available.

10) The submission deadline for bids is 28th February 2025.
