II.2.4) Description of the procurement

Europa School is currently out to tender for the provision of Planned and Preventative Maintenance. The school requires a Contractor to undertake the Planned and Preventative Maintenance services in accordance with good practice so as to provide a high standard of service across the school for the benefit of the school's staff and pupils, the local community and to provide an inviting environment for visitors. The Contractor will be responsible for the provision of skilled engineers and service personnel, to provide an efficient and timely facilities management service. They will need to ensure that curriculum used areas are safe and fit for purpose and that all other areas are kept in accordance with the service set out in this specification and reflect well on the school. The school are looking to reduce costs while ensuring adherence to statutory compliance requirements, creating improvements to the quality of the site and demonstrating systems that are simple to use for site staff to carry out their duties effectively. Thus, enabling senior School staff to be able to easily monitor compliance and quality of the site. The Contractor should keep abreast of the needs of the school and ensure that they are providing strategic advice and support for the premises management to be more effective and efficient. The contracts are being offered for three years with the option to extend for a further two periods of 12 months. The contract commencement date is 1 September 2022. TUPE is expected to apply for this Lot, details of which can be found in the tender documentation.

II.2.4) Description of the procurement

Europa School is currently out to tender for the provision of Grounds Maintenance. Europa School has been using external contractors to complete their grounds maintenance services for a number of years. They wish to tender for a Contractor to undertake the grounds maintenance service in accordance with good practice so as to provide a high standard of maintenance throughout the school grounds for the benefit of school staff and pupils along with providing an inviting, well managed environment for visitors. The grounds at the school play a major part in pupils learning and provide a safe, secure and pleasant environment for their learning, thus enhancing the pupils' social skills and interaction. The Contractor will need to ensure that curriculum used areas are safe and fit for purpose and reflect well on the school. Importantly, this contract is not just for basic maintenance throughout the school's grounds. The school requires the Contractor to be proactive in improving the appearance of the grounds. The successful bidder will be innovative in order to introduce new methodology or products and be able to demonstrate added value to the contract. The contracts are being offered for three years with the option to extend for a further two periods of 12 months. The contract commencement date is 1 September 2022.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £257,500

VI.4) Procedures for review

VI.4.1) Review body

High Court

Strand

London

WC2A 2LL

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Europa School will incorporate a standstill period at the point information on the award of the contract is communicated to tenderers. That notification will provide full information on the award decision. The standstill period, which will be for a minimum of 10 calendar days, provides time for unsuccessful tenderers to challenge the award decision before the contract is entered into. The Public Contracts Regulations 2015 provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland)

VI.4.4) Service from which information about the review procedure may be obtained
