Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The service is a dedicated private point to point link used for the LHC TIER1 site at RAL. This connection is provisioned using the JANET network. JANET is the UK's National Research and Education Network (NREN) which is operated by JISC. Therefore couldn't be provided by another company.
