VI.3) Additional information

A Framework Agreement for the provision of Principal Contractor Services and Construction Management Services.

Other social housing providers in the UK may also be entitled to call off contracts under the framework agreement. Full details are in the original Notice

Because of the current state of the market, uncertainties over our pipeline and the possibility of other 'Social Housing Providers' using the framework agreement to an utterly unknown extent, the value of the Framework in the notice is not in any way an accurate estimate of the value of works to be awarded and the total spend could vary considerably from this estimate, in either direction.
