Wirral Borough Council (the "Council") intends to enter into a Master Development Agreement with Ion Property Developments Limited ("Ion") for the development of closely connected land (including land owned separately by the Council and Ion). The development will see the comprehensive regeneration of a substantial brownfield site with the intention to bring a minimum of 1,400 new homes to Birkenhead, supporting Wirral Council's 2021-2037 draft Local Plan. The phased development will create a new vibrant neighbourhood that will directly connect to and support the resurgence of the town centre. The Gross Development Value (GDV) for the project is estimated to be in the region of £550,000,000 to £575,000,000.
