Extension to the tender return date

Scope

Description

The London Borough of Bromley, as the Highway Authority, is responsible for the repair and maintenance of 1370km (850 miles) of footways, 842km (525 miles) of carriageways

and more than 28,000 streetlights and items of illuminated street furniture.

The Council is seeking to re-procure these services, as described in the Invitation to Tender documentation, in the following Lots:

Lot 1 - Major Works

Lot 2 - Minor Works

The Lots will be evaluated separately as outlined in the Invitation to Tender. A company may be awarded one or both Lots.

Total value (estimated)

- £71,000,000 excluding VAT
- £85,200,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 1 July 2026 to 30 June 2032
- Possible extension to 30 June 2036
- 10 years

Description of possible extension:

Two options to extend for a further period of 2 years each (four years in total) on the same terms.

- £47,000,000 excluding VAT
- £56,400,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Lot 2. Minor Works

Description

The Minor Works Lot will include:

Routine maintenance of carriageways and footways.

Emergency repairs of carriageways and footways.

In hours and out of hours emergency response to incidents on the highway network, including weather emergencies.

Winter maintenance, including pre-salting, post-salting, snow and ice clearance to footways and carriageways.

Provision, maintenance & removal of posts, bollards and other items of street furniture.

Surface water drainage installation.

Repair of kerbing.

Patching and repair of footways and paved areas.

Paving and surfacing of footways and paved areas.

Provision and maintenance of Traffic Management for third parties.

Provision, maintenance & removal of road markings.

Lot value (estimated)

- £24,000,000 excluding VAT
- £28,800,000 including VAT

Same for all lots

CPV classifications, contract locations and contract dates are shown in the Scope section, because they are the same for all lots.

Participation

Legal and financial capacity conditions of participation

Lot 1. Major Works

Lot 2. Minor Works

The Council estimates this procurement opportunity based on best market valuation of an estimated annual contract value of £4.7M for Lot 1 (Major Works) and £2.4M for Lot 2 (Minor Works). To be considered for this opportunity, Tenderers shall have a minimum yearly turnover of at least £9.4M for Lot 1 (Major Works) and £4.8M for Lot 2 (Minor Works). To be awarded both contracts, the Tenderer must have a minimum yearly turnover of £14.2M, or else it will only be successful in the highest valued Lot where it satisfies the minimum turnover requirement.

The Council will assess tenderers' financial standing as outlined in the Conditions of Participation document and will reject any tender where the organisation is shown to not meet the minimum criteria stated.

Particular suitability

Lot 1. Major Works

Lot 2. Minor Works

Small and medium-sized enterprises (SME)
