Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Vehicle and Components Testing Framework

II.1.2) Main CPV code

- 71356000 - Technical services

II.1.3) Type of contract

Services

II.1.4) Short description

DVSA are responsible for monitoring compliance to safety standards and from time to time DVSA may wish to commission research activities into vehicles or components which would extend beyond the approval standards.

For services to be obtained quickly and efficiently DVSA intend to set up a call off framework which will last for up to 3 years with the option to extend a further year if required. Within this framework, call off competitions will take place where more than one provider exists for this service. In the first instance DVSA request suppliers to send a list of services that you supply before the market engagement event .

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71356000 - Technical services

II.2.3) Place of performance
