Contract for the provision of Leakage Repair Products

II.1.2) Main CPV code

- 39812500 - Sealants

II.1.3) Type of contract

Supplies

II.1.4) Short description

Leakage repair sealants are widely utilised within the NGN operational network to repair mains gas pipes. The current contract expires shortly but due to the new BSI standards being in the early stages of use, a new tender event has not been undertaken to allow time for NGN to understand the best approach to leakage repair sealants to allow for a meaningful tender event to take place in circa 6-7 months time. Therefor NGN are seeking to extend the current contract that's in place with multiple suppliers for a 13 month period,

until the new tender is complete and awarded.
