VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

The period of the contract is to be extended by a period of 12 months in addition to the provision made in the original contract.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

These modifications are made under the provisions set out in Regulation 72 (1) (c) (i), (ii) and (iii). Procurement Policy Note - Responding to COVID-19 PPN 01/20 (pp 6-7) also refers. The need for contract modification has been brought about by the circumstances of COVID-19 which have meant resources in the Contracting Authority have been redirected to efforts to support front line Health & Social Care activities, including direct care for patients and efforts to support supply chain activities. As a result, scheduled re-tendering activity is being delayed while the current circumstances are present. While there are planned measures for disruption to normal business activities, the scale of the impact of COVID-19 and the uncertain duration could not have been foreseen by the Contracting Authority.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £25,000,000

Total contract value after the modifications

Value excluding VAT: £31,250,000
