II.2.4) Description of the procurement

For any suppliers interested in this opportunity please visit our eTendering portal: <https://in-tendhost.co.uk/sscpartnership> The contract will be for the provision of outsourced cleaning services to the Client 'Firs Farm Primary School', Rayleigh Road, London, N13 5QP, including daily cleaning, and out of term deep cleaning, for spaces including but not limited to teaching, office, circulation, and communal spaces. The Company must provide effective management and operational level communication regarding the cleaning service with the Client. In addition, the provider will also be responsible for all legal, and health and safety requirements in delivering the services. Tenders must be submitted in accordance with the instructions within the Invitation to Tender documentation. They are designed to ensure that all tenders are treated equally and comply with all the legal requirements for public sector procurement. Failure to comply with these instructions and conditions may invalidate your tender. Arrangements will be made for Tenderers to visit Firs Farm Primary School and view the current facilities to obtain a better understanding of the layout and any other relevant information to help in putting together tender bids. The site visit is planned to take place on Friday 9th February 2024 at 7am. Tenderers should limit their attendance to two representatives. Tenderers will not be able to take photographs during site visits without the consent of the Client. Please register for the site visit through the correspondence functionality on the tendering portal (<https://in-tendhost.co.uk/sscpartnership>), including the name and roles of the representatives who will be attending by no later than 12 noon, 8th February 2024. Expectation of Tenders Tender submissions should clearly demonstrate: A thorough understanding of the Scope of Work Ability to deliver the services required in line with all TUPE information, and have a flexible approach Technical expertise and relevant experience Best value for money Suitability for the undertaking of the work. Procedures and practices which will be utilised to ensure quality and compliance with the specification. Tenders will be evaluated using a method known as MEAT (most economically advantageous tender). There will be mandatory and desirable requirements. Mandatory requirements are stipulations which must be present, or the tender will be eliminated from the evaluation. Desirable characteristics are elements of the tender which are to be scored by the Client.
