- UK - United Kingdom

II.2.4) Description of the procurement

The Defence Clothing team, which forms part of Leidos Supply Ltd. is considering the potential requirement for the development and supply of Knee Mounted Service Boots on behalf of the UK MOD, consisting of one lot, which will cover (but will not be limited to) development of specification & eventual supply of Knee Mounted Service Boots.

The framework length should not exceed 6 years and is anticipated to commence 2026.

The value of this framework is estimated to be between £540,000 & £1,360,000

Please note: this PIN is for information only (market research) and is not a pre-qualification exercise.

In addition, please note that as a framework agreement there is no guarantee of business.

II.3) Estimated date of publication of contract notice

12 May 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

In April 2015 the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services) historically provided in-house by the Logistic Commodities and Services Operating Centre. Leidos, working with the MOD, will transform the way these services are delivered to ensure requirements continue to be met whilst providing best value for money for the department. The organisation delivering these services is known as Team Leidos. Team Leidos would like to make interested suppliers aware that it intends to invite tenders for its development, supply and delivery of Knee Mounted Service Boots.
