Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

ASTeC already has three of these systems installed in our Radiation Test Facilities complex all, designed, manufactured and installed by Airgonomics ltd. It is essential that the additional shielding doors are of the same design and utilise the same air bearings, infrastructure and controls functionality & architecture (Specific Programmable logic controller and safety systems) as the existing doors. Only Airgonomics ltd are able to do as the detailed design & specification is their proprietary information.
