Oxfordshire County Council requires a Delivery Partner to provide services pursuant to funding bid for Phase 2 of the Home Upgrade Grant scheme, 'HUG2'. The remainder of this document should be read in the context that the issuing of a contract following successful tender is subject to a funding award to Oxfordshire County Council from BEIS (The Department of Business, Energy and Industrial Strategy (BEIS), following a bid submitted in November 2022. The contract may be extended if follow on funding for the same or similar purpose is secured by the Council during the period of the initial contract – this will be actively sought by Oxfordshire County Council but should not be assumed. Delivery of HUG2 will be across the four district council regions of Oxfordshire: Cherwell District, West Oxfordshire District, Vale of White Horse District and South Oxfordshire District. These represent the most rural regions of the county, where properties not on the mains-gas network, or otherwise not using mains-gas as their primary source of heating, will be plentiful.
