Section I: Contracting authority

I.1) Name and addresses

LONDON BOROUGH OF NEWHAM

Building 1000,Dockside Road

LONDON

E16 2QU

Email

eprocurement@onesource.co.uk

Country

United Kingdom

NUTS code

UKI41 - Hackney and Newham

Internet address(es)

Main address

<https://www.newham.gov.uk/>

I.3) Communication

The procurement documents are available for unrestricted and full direct access, free of charge, at

<https://elyq.fa.em3.oraclecloud.com/fscmUI/faces/PrcPosRegisterSupplier?prcBuld=300000002089195>

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

All Age Integrated Health and Well-being Service (IHWS)

II.1.2) Main CPV code

- 85000000 - Health and social work services

II.1.3) Type of contract

Services

II.1.4) Short description

The council would like to share upcoming plans to establish a light touch 'pseudo' Dynamic Purchasing Service (p-DPS) for an All-Age Integrated Health & Wellbeing Service (IHWS). The p-DPS will be open to local authorities and health partners across the North East London STP footprint and will comprise four separate Categories:

1. Specialist Smoking Cessation Service
2. Specialist Tier 2 Weight Management and Movement Service
3. Community-Based Projects for Health & Wellbeing
4. Addressing Resource Inequality

It is intended the service will be procured this financial year with an estimated contract start date of 1st December 2022. This is not an invitation to tender.

Newham's Health and Wellbeing Strategy, 50 Steps to a Healthier Borough, outlines the ambition of the Council and NHS to deliver a paradigm shift in the health of residents. Delivering against this ambition will require a plan that enables residents to change behaviours and make healthier choices while also addressing resource inequities.

The approach is characterised by the expression 'one size does not fit all', reflecting insight gathered through co-design with residents where factors such as choice, motivation, culture, community and resource inequity are highlighted as significant issues in changing behaviours and habits.

Central to the IHWS is the importance of understanding and addressing the inter-connection between children, families and adults. Focusing on children or adults in isolation is unlikely to deliver the required improvement in outcomes required, because positive behaviour change at an individual-level can be helped or hindered through the family environment.

The p-DPS aims to strike an important balance between ensuring there is specialist resource available while also harnessing the power of the community, voluntary and faith sector. This will be implemented through the Council's in-house Well Newham Hub: a new 'single point of access' vehicle for developing pathways to and from the services within the IHWS.

The Council intends to take a staged approach to establishing the p-DPS and running mini-competitions. Details and timings are TBC, but broadly this will involve prioritising the p-DPS 'on boarding' process and subsequent mini competitions for Categories 1 and 2. Some services within Category 3 will also be prioritised for mini competition ASAP after establishing the p-DPS (i.e. cooking classes, volunteer schemes and stroke prevention/support).

The aim is to commence the first tranche of contracts within the p-DPS from December 2022. Contract lengths may vary, but initial contract terms of 3+2 years are envisaged for providers of services within Categories 1 and 2.

A more detailed timeline for the staged procurement process is in development and will be published to the market in due course.

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKI4 - Inner London – East
