Text

The Coal Authority shall be tendering a contract for the refurbishment of existing sea outfall structure at Dawdon Mine Water Treatment Scheme, located approximately 1km south of Dawdon, County Durham.

Prior to the Invitation to Tender we shall be holding an early supplier engagement video call to provide more details on the project and enable questions and answers.

The date of the early supplier engagement meeting is on Wednesday 23 March at 10:00. Suppliers who wish to attend are required to express their interest via the contact email above and the joining details will be provided.

The works will be undertaken in accordance with the NEC4 Engineering and Construction Contract and further details can be found at www.neccontract.com.

Please see VI.3) Additional information of this notice for a more detailed description of the works.
