Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This Call-off contract is essential for addressing specific requirements arising from the aftermath of two failed procurements for the Roadside Diagnosis Device Tester (RDDT). The operational needs, particularly the necessity for License Keys for WinTester, MOTE, and WinDev-SIM licenses, have become urgent. To ensure continued functionality and operational efficiency, the Customer is required to establish a direct contractual arrangement for the timely procurement of these essential licenses

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.9) Information about termination of call for competition in the form of a prior information notice

The contracting authority will not award any further contracts based on the above prior information notice

Section V. Award of contract
