VII.2) Information about modifications

VII.2.1) Description of the modifications

Nature and extent of the modifications (with indication of possible earlier changes to the contract):

Increase of value by up to 50%, scope remains the same.

VII.2.2) Reasons for modification

Need for modification brought about by circumstances which a diligent contracting authority/entity could not foresee.

Description of the circumstances which rendered the modification necessary and explanation of the unforeseen nature of these circumstances:

The financial instability of a significant key supplier to the DfE has necessitated significant additional work in scope of this contract. The financial instability was unknowable to the DfE. This additional work has resulted in additional throughput via the contract and the total contract spend limit being achieved at a quicker rate. In order to protect service continuity, to mitigate the risks associated with the financial instability of the key supplier and to run a procurement to replace this contract an uplift is required. The new procurement activity to replace this contract will be available as an opportunity via the Crown Commercial Service Digital Outcomes and Specialists Framework.

VII.2.3) Increase in price

Updated total contract value before the modifications (taking into account possible earlier contract modifications, price adaptations and average inflation)

Value excluding VAT: £4,500,000

Total contract value after the modifications

Value excluding VAT: £6,750,000
