Scope

Reference

C8497

Description

Enabling Innovation Framework 5

The EIF 5 Scope is primarily around problem definition and framing, studies, developing functional requirements, preparing business cases and interventions for which the categories, outputs and deliverables.

The Sellafield Ltd Corporate Strategy and Strategy Management Framework provide broader organisational context and detail around the purpose and challenges of the value streams (Retrievals, Remediation, Spent Fuel Management, Special Nuclear Materials and Integrated Waste Management) and the business critical enablers.

In summary the scope of the EIF encompasses:

- Support to problem framing: establishing clarity over needs and priorities and providing technical / digital support;
- Help in establishing project purpose, principles, roles and tasks before the Detail is decided
- Problem definition: help in translating service requirements into clear functional / technical / digital require

Commercial tool

Establishes a framework

Total value (estimated)

- £20,000,000 excluding VAT
- £24,000,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 30 June 2026 to 29 June 2030
- 4 years

Main procurement category

Services

CPV classifications

- 71330000 - Miscellaneous engineering services
- 71340000 - Integrated engineering services
- 71300000 - Engineering services
- 71356000 - Technical services
- 79421000 - Project-management services other than for construction work

Justification for not using lots

Dividing the framework into rigid lots inhibits innovation by compelling ideas to be categorised rather than freely developed.

Framework

Maximum number of suppliers

10

Maximum percentage fee charged to suppliers

0%

Justification for framework term over 4 years

N/A

Framework operation description

The process for call-off contracts under the Framework includes self-determination, direct award and mini competition as detailed in Appendix 9 Specification section 5, available via the Documents folder within the Atamis record. The governance arrangements will be compliant with the principal obligations of PA23.

Award method when using the framework

Either with or without competition

Contracting authorities that may use the framework

Establishing party only
