THIS IS NOT A CALL FOR COMPETITION

Leicester City Council is recommissioning its Community Opportunities services, potentially for people aged 18 and over, located within the boundary of the city of Leicester. This new service will include services that have previously been referred to as 'day care', 'community opportunities' or 'flexible short breaks'.

As part of the commissioning process, the Commissioners would like to undertake a soft market test. This gives potential providers and other stakeholders the opportunity to express their interests and feed in their views about the potential service model and service definitions. The commissioners will use the information to appraise options and further develop the specification.

To participate in this Soft Market Testing, organisations that may be interested, either individually or as part of a consortium, must complete a Soft Market Testing questionnaire.

The questionnaire can be found by copying and pasting the following web link into your web browser:

This Prior Information Notice is regarding undertaking a Soft Market Test and therefore is not a call for competition. This process does not constitute a formal tender or other competitive bidding process and will not result in the letting of a Contract. The commissioners are using this process solely to test the market to gather information and ascertain the level of interest in this particular service. There are therefore no formal criteria which commissioners will use to judge your responses, and it is not our intention to provide any feedback.

To participate in this Soft Market Testing, organisations that may be interested, either individually or as part of a consortium, must complete a Soft Market Testing questionnaire.

The questionnaire can be found by copying and pasting the following web link into your web browser:
