This selection exercise is drafted on the basis of a Contract that will include ongoing strategic development and delivery of the National Reference Tests on an annual basis up to and including the Tests in 2029; the contract may be extended at Ofqual's discretion for any period up to a maximum of 3 years to include the delivery of the Tests in 2030, 2031 and 2032. Following discussions with the market and having carefully considered the risks to stability in test results of awarding elements of the service to different suppliers Ofqual would like to appoint a single supplier to provide all of the NRT services. Interested parties may cooperate with other organisations where this enables them to meet the requirement by sub-contractual or consortia arrangements. Further information is included in the attached Procurement Policy Note 8/16 Standard Selection Questionnaire template and guidance document.
