Surrey Carers Strategy 2021 to 2024 (extended to 2026) - Surrey County Council

The Carers Innovation Fund 2022-2023 funded several pilots improving carer access to benefits advice. These one-year pilots delivered excellent outcomes, prompting our decision to commission an Income Maximisation service supporting carers countywide.

Carers have provided valuable feedback which has helped to shape the service delivery model. We will be sharing the carer feedback and model of service during the session.
