### **Scope**

### **Reference**

25055

### **Description**

Dudley MBC invites tenders for the Installation of Disability Accessible Bathrooms, including all related Works and a Design Service. These services will be provided to public (council) and private (DFG) properties.

The Council intends to appoint a single provider to deliver a comprehensive programme of Disability Bathroom Adaptation Works across the Dudley Borough.

The primary benefit of providing disability bathroom installations is to support disabled and elderly individuals in remaining in their own homes. By improving accessibility, safety, and independence, these adaptations enable individuals to carry out daily hygiene tasks more easily, thereby reducing the need for care services and lowering associated care and potential hospital treatment costs resulting from falls or accidents
