- 72224000 - Project management consultancy services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

We are looking for support on a range of work across PR23. This is intended to provide ORR with some additional expertise and resources, where we require, it in a flexible and agile manner. The support we are seeking could include, for example:

- preparing or helping to prepare internal papers on certain policy, economic and financial issues. This could also include input into papers for our Executive;
- producing material for industry workshops;
- supporting to produce external deliverables, such as drafting consultation documents;
- participating in discussions with stakeholders;
- summarising stakeholder views from consultation responses;
- developing workstream-specific project plans and/or stakeholder engagement plans;
- coordinating and/or directing internal (ORR) and external resources to produce specific outputs;
- financial analysis to support our approach to monitoring Network Rail's efficiency and wider financial performance in CP7;
- project management; and
- produce other discrete pieces of work.
