Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

CFCT - Electric Motor Test Cell

Reference number

UOE/2021/008/DB

II.1.2) Main CPV code

- 38540000 - Machines and apparatus for testing and measuring

II.1.3) Type of contract

Supplies

II.1.4) Short description

The University of Exeter has received a LEP (Local Enterprise Partnership) grant to support the development of a new facility referred to as the Centre for Future Clean Mobility. This procurement looks to procure a test cell rated at 500kW capable of testing electrical motors. The University is looking for a supplier to provide a turnkey solution (Design, Supply, Install, Commissioning and Training).

II.1.5) Estimated total value

Value excluding VAT: £700,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 31100000 - Electric motors, generators and transformers
- 31110000 - Electric motors
- 31160000 - Parts of electric motors, generators and transformers

- 31161000 - Parts for electrical motors and generators
- 38970000 - Research, testing and scientific technical simulator
- 45214630 - Scientific installations
- 51111100 - Installation services of electric motors
- 51200000 - Installation services of equipment for measuring, checking, testing and navigating
- 51230000 - Installation services of testing equipment

II.2.3) Place of performance

NUTS codes

- UKK - SOUTH WEST (ENGLAND)

Main site or place of performance

Exeter

II.2.4) Description of the procurement

The University will run a single stage Open above threshold procurement for this requirement. Bidders are invited to submit bids that comply with the specification within the tender documents.

The University will contract with the successful bidder to complete design works, and then novate the contract across to a principal contractor responsible for building refurbishment works for installation, commissioning and training.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £700,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: Yes

Description of options

The University holds the option to procure an additional Test Cell under this contract.

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing
