Regional or local authority

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

IA1804 Multi-Disciplinary Consultancy Services for the Demolition of a Multi-Storey Car Park

Reference number

DN205

II.1.2) Main CPV code

- 71311000 - Civil engineering consultancy services
 - AA01 - Metal

II.1.3) Type of contract

Services

II.1.4) Short description

The Council is looking to appoint a multi-disciplinary consultancy (The Consultant) to design and oversee the demolition of the existing multi-storey car park site.

Although the site has been earmarked for re-development, due to the impact of Covid-19, it is likely to be a while before the site is redeveloped. Hence consideration is being given to a temporary solution which will reduce the Council's liability for the existing structures, make the site temporarily more attractive within the town centre and in the longer-term appeal to a future potential developer.

Three solutions have currently been identified, which require further investigations and the development of a suitable business case:-

- i) Retain the existing structure until such time as the site is redeveloped;
- ii) Demolish part of the building, retaining the service ramp;
- iii) Full demolition of the building leaving an area of hard standing which would have some potential use within the town centre until the site is redeveloped in the future.

The project will be phased to allow the Council the opportunity to review the options and

next steps. The phasing of the works will be as follows:-

Phase 1 – Development of an outline approach to the project including timescales and detailed budget costings for each phase of the project.

Phase 2 – Development of a detailed design for the demolition.

Phase 3 – Consultation with all affected 3rd Parties.

Phase 4 – Procure a contractor and undertake works on site.

II.1.5) Estimated total value

Value excluding VAT: £90,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 71312000 - Structural engineering consultancy services
- 71311210 - Highways consultancy services
- 71311300 - Infrastructure works consultancy services
- 71315200 - Building consultancy services

II.2.3) Place of performance
