The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

BAE Systems are both the 'Design Organisation' & the 'Original Equipment Manufacturer (OEM)' for the aircraft platform and have been the Prime Contractor for In-Service Support for Hawk T1 aircraft for over forty years and it has been previously identified under Defence and Security Public Regulations (DSPCR) Regulation 16 as a single source requirement.

Market examination shows that the market place has not changed and there are no competitors to BAE Systems with the capability or experience to take on this contract for Hawk In-Service Support and be able to provide the full service from day one. Consequently the contract extension is to be awarded without competition, in accordance with Regulation 16(1)(a)(ii) Defence & Security Public Contracts Regulations; Article 28(1)(e) Directive 2009/81/EC.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes
