II.1.4) Short description

Greener Futures Partnerships (GFP) procured a National framework of suitably qualified constructors and consultants for the delivery

of retrofit works and services in Scotland. As well as creating a route to market, GFP aspired to create a truly collaborative framework where

all parties contribute and continually develop best practice in the field of decarbonisation. The Framework will be for a total of 7 years

(4+3) to enable delivery of retrofit works in accordance with the current energy efficiency standard for social housing (ESSH2) and will

be open to all Contracting Authorities in Scotland to access. GFP have procured a separate Decarbonisation Delivery Framework for the

delivery of retrofit works and services in England and Wales, which was the subject of a separate Contract Notice and procurement process

conducted in accordance with the Public Contracts Regulations (2015). Abri acted as the CA for the purposes of the procurement who

will enter into the Framework Agreement with successful Suppliers.
