This contract is for unified comms (UC) services which provide the telecommunications network (WAN, LAN and WiFi) across all of NGN's offices and depots.

II.2.11) Information about options

Options: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

There are technical reasons for extending the current contract with Vodafone for 12 months before running a tender event in 2021. These are listed below -

Internet Breakout

NGN's existing internet breakout contract needs to be combined in the Unified Comms tender, which isn't currently possible.

New requirements

NGN's need to seek other telco solutions prior to tendering the contract, such as SD WAN or direct WAN internet breakout to give more flexibility to manage the network performance and improve change management and service delivery.

Refurbs

Prior to tendering, NGN need to have a steady-state network to avoid complexity of scope for the tender.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

A contract/lot is awarded: Yes

V.2) Award of contract/concession
