Tenders or requests to participate must be submitted to the above-mentioned address

I.4) Type of the contracting authority

National or federal Agency/Office

I.5) Main activity

General public services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Hydrographic Survey Services

II.1.2) Main CPV code

- 71353100 - Hydrographic surveying services

II.1.3) Type of contract

Services

II.1.4) Short description

The Maritime & Coastguard Agency (MCA) is an Executive Agency of the Department for Transport. The MCA is responsible throughout the UK for implementing and developing the UK Government's maritime safety and environmental protection policy. That includes co-ordinating Search and Rescue at sea through His Majesty's Coastguard 24 hours a day, and checking that ships meet UK and international safety rules. The MCA work to prevent the loss of lives at the coast and at sea, to ensure that ships are safe, and to prevent coastal pollution: Safer Lives, Safer Ships, Cleaner Seas.

The MCA plays a unique role within Government in discharging the UK's statutory hydrographic obligations under the United Nations' Safety of Life at Sea (SOLAS) Convention. The MCA funds, manages and delivers the UK Civil Hydrography Programme (CHP). The CHP is a multi-million-pound MCA-led Government initiative to prioritise, survey and map UK waters in order to keep UK nautical charts and publications current, safe and fit for purpose.

This multi-disciplined marine data gathering programme is targeted at areas of highest navigational safety risk. The CHP work scopes are:

Lot 1 Shallow Water – typically water depths 0-200m, predominantly depths less than 40m;

Lot 2 Medium Water – typically water depths 0-200m;

Lot 3 Routine Resurvey – navigationally critical shallow water areas with mobile seabed;

Lot 4: Protection of Wrecks Act 1973, Section 2 Surveys - SS Richard Montgomery;

Lot 5: Supplementary Hydrographic Survey Services.

II.1.5) Estimated total value

Value excluding VAT: £17,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 4

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

The MCA aims to protect or maintain operational capability within the programme and reserves the right not to award Lot 1 and Lot 2 to the same contractor but contractors may bid for single, multiple or all Lots.

II.2) Description

II.2.1) Title

Hydrographic Survey Services

Lot No

1

II.2.2) Additional CPV code(s)

- 71353100 - Hydrographic surveying services

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

II.2.4) Description of the procurement

The Maritime & Coastguard Agency (MCA) is an Executive Agency of the Department for Transport. The MCA is responsible throughout the UK for implementing and developing the UK Government's maritime safety and environmental protection policy. That includes

co-ordinating Search and Rescue at sea through His Majesty's Coastguard 24 hours a day, and checking that ships meet UK and international safety rules. The MCA work to prevent the loss of lives at the coast and at sea, to ensure that ships are safe, and to prevent coastal pollution: Safer Lives, Safer Ships, Cleaner Seas.

The MCA plays a unique role within Government in discharging the UK's statutory hydrographic obligations under the United Nations' Safety of Life at Sea (SOLAS) Convention.
