Procedure

Procedure type

Direct award

Direct award justification

Single supplier - technical reasons

ADA has subject matter expertise in water level management not identified elsewhere that is required to support successful delivery of outcomes, particularly to apply lessons learnt, inform a new application process and support development of the new programme.

As per Chapter 3 (Section 41), Schedule 5 of the 2023 Procurement Act, this contract meets the Direct Award justification of 'Single Supplier' with the following conditions met for a public contract:

- (a) due to an absence of competition for technical reasons, only a particular supplier can supply the goods, services or works required, and
 - (b) there are no reasonable alternatives to those goods, services or works.
