Services

II.1.4) Short description

This is a notice to the market for an online market engagement event to update on proposals for a new place-based Infant Feeding Peer Support Service.

The proposed place-based Infant Feeding Peer Support Service will be designed to support prospective and expectant parents and carers, and parent and carers with infant feeding through local accessible sessions. The service will align with the Health and Care Partnerships (and maternity services) to enable mothers to access infant feeding social support and peer support in a group setting through the Family Hubs programme.

We welcome you to join us on Wednesday 12th February 11am – 12.30pm for an online event to find out more about the proposed service. This will include a presentation from KCC commissioners and the Public Health Team.

There will be further opportunity to attend a 1:1 slot on Wednesday 26th February with KCC commissioners and Public Health colleagues to provide feedback and ask questions.

More information on these proposals is available here: Health Reform and Public Health Cabinet Committee papers

Location: MS Teams

Please contact Gilda Arabnia to register your place.
