Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Operation Of Electric Bus Services In Mansfield Area of Nottinghamshire

Reference number

DN516900

II.1.2) Main CPV code

- 63000000 - Supporting and auxiliary transport services; travel agencies services

II.1.3) Type of contract

Services

II.1.4) Short description

Nottinghamshire County Council (the "Council") are looking for a Supplier to operate two services in the Mansfield & Ashfield areas of the county. The initial contract is for 5 years with an option to extend for a further 5 years. The Council have been awarded funding by the Department for Transport (DfT) in order to purchase electric, low floor buses which are fully compliant with the Public Service Vehicle Accessibility Regulations 2000. It is expected that the buses will be delivered in September 2021. These vehicles are being brought in to run 2 services, the Berry Hill Flyer and 417 Sutton service.

The aim of this procurement is to find a single Supplier who can operate and house 2 electric vehicles.

The requirements include the charging of the vehicles of which the Council can provide the charging infrastructure if necessary.

II.1.5) Estimated total value

Value excluding VAT: £800,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKF15 - North Nottinghamshire

II.2.4) Description of the procurement

Nottinghamshire County Council (the Council) are looking for a single Supplier to operate two services in the Mansfield & Ashfield areas of the County.

The Council have been awarded funding by the Department for Transport (DfT) in order to purchase 4 electric, low floor buses, fully compliant with the Public Service Vehicle Accessibility Regulations 2000. It is expected that the buses will be delivered in September 2021. These buses are being brought in by the Council to run 2 services, the Berry Hill Flyer, and 417 Sutton. The tethered plug in electric buses will provide a zero-emission service to the people of Mansfield & Ashfield as an initial step to combat global emission problems. The Supplier is required to operate and house 2 electric buses. The buses must be accommodated within 10 miles of the route.

The requirements include the charging of the buses of which the Council can provide the charging infrastructure if necessary. If the Supplier requires the charging infrastructure providing by the Council, they will need to be able to evidence that the land and/or building where the electric buses will be accommodated is owned by them or under a long term lease arrangement (minimum of 11 years) and that the installation of the charging infrastructure is permitted on the land/within the building.

The contract will be in place for an initial term of 5 years with options to extend for up to another 5 years.

This is an open tender process.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 0

Price - Weighting: 100

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

120

This contract is subject to renewal

No
