---

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers**

List and brief description of conditions

For the purpose of this Contract, all Electrical Subcontractors (including the Main Contractor if appropriate) proposed to be used on this Project must have Registration with either 'NICEIC (Approved Contractor Scheme)' or 'SELECT (Approved Certifier of Construction Scheme)' throughout the entire Contract period, and all Employees (including Employees of Electrical Subcontractors) must have appropriate trade certification.

For the purpose of this Contract, all Mechanical Subcontractors (including the Main Contractor if appropriate) proposed to be used on this Project must have Registration with either 'B&ES Association (Member status)' or 'CIPHE (Member status)' throughout the entire Contract period, and all Employees of Mechanical Subcontractors must have appropriate trade certification.

For the purpose of this Contract, all Gas Sub-Contractors (including the Main Contractor if appropriate) must be on the current Capita Gas Safe Register of Gas Installers at a commercial level throughout the entire Contract period. It is also required by the authorities that any operative employed to do gas work will have to be reported to Capita, and their fees paid as stipulated.

For the purpose of this Contract, the Asbestos removal Contractor proposed to be used on this Project must hold an Asbestos Removal Licence (issued by the HSE) throughout the entire Contract period, and all employees must have appropriate certification.

For the purpose of this Contract, the company which will carry out the Solar Photovoltaic installation must be on the current Microgeneration Certification Scheme (MCS) database of certified installers at the time of installation. It is also required by the Authority that all microgeneration products used are MCS certified to ensure that the installation qualifies for the Feed-in Tariff (FiTs) and that all MCS Certification is passed to the Employers Agent as part of the handover process.

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

Financial Standing

The Council shall commission an independent third party business credit report from Creditsafe Business Solutions Ltd using the Company Registration number supplied by the Tenderer. Any Tenderer who does not meet the minimum threshold of a Credit Score of 30 out of 100 will have their submission regarded as a “Fail” and will not be considered further. Where a Tenderer receives a Credit Score of between 30-50 out of 100, the Council reserves the right to request further financial information to determine the risk to the Council. In the event that such additional measures are requested, the Council shall, in its sole discretion, determine the terms of those measures that it deems as acceptable. If Tenderers cannot provide measures to the satisfaction of the Council then their submission may be rejected.

Risk or Credit reports from other agencies will not be considered.

It is the Tenderers responsibility to ensure that all information held by Creditsafe Business Solutions Ltd is current and accurate when submitting their Tender. The Council will not enter into discussions with Tenderers who fail to ensure that their Creditsafe Business Solutions Ltd scores are accurate by the due submission date.

#### Insurances

It is a requirement of this Contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently awarded Contract, the insurances indicated below.

Employers (Compulsory) Liability Insurance = 10 million GBP in respect of each claim without limit to the number of claims.

Public & Products Liability Insurance = 10 million GBP in respect of each claim without limit to the number of claims.

Professional Indemnity Insurance = 5 million GBP in respect of each claim without limit to the number of claims, for 6 years from the date of practical completion of the Works.

#### **III.1.3) Technical and professional ability**

Selection criteria as stated in the procurement documents

#### **III.2) Conditions related to the contract**

##### **III.2.3) Information about staff responsible for the performance of the contract**

Obligation to indicate the names and professional qualifications of the staff assigned to performing the contract

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Restricted procedure

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.2) Time limit for receipt of tenders or requests to participate**

Date

25 February 2022

Local time

12:00pm

#### **IV.2.3) Estimated date of dispatch of invitations to tender or to participate to selected candidates**

14 March 2022

#### **IV.2.4) Languages in which tenders or requests to participate may be submitted**

English

#### **IV.2.6) Minimum time frame during which the tenderer must maintain the tender**

Duration in months: 3 (from the date stated for receipt of tender)

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.2) Information about electronic workflows**

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

### **VI.3) Additional information**

The buyer is using PCS-Tender to conduct this PQQ exercise. The Project code is 20572. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

The Contracting Authority does not intend to include a sub-contract clause as part of community benefits (as per Section 25 of the Procurement Reform (Scotland) Act 2014) in this contract for the following reason:

N/A
